

# Writing Process || Creative Process

## Taking Stock

The parallels between the creative and writing processes will be returned to throughout *Artists Write to Work*. For now, take some time to think about creative processes and how they might parallel the writing processes.

1. What kind of research do you prefer?

Creative Processes .....

.....

2. Do you outline or sketch before beginning a project?

Creative Processes .....

.....

Writing Processes .....

.....

3. When working on a project, how many drafts or false starts do you make?

Creative Processes .....

.....

Writing Processes .....

.....

4. When working on a project, how many revisions do you do?

Creative Processes .....

.....

Writing Processes .....

.....

5. Does perfectionism stifle or promote your revision processes?

Creative Processes .....

Writing Processes .....

6. If you share your work with others for feedback or critique, how do you implement or respond to that feedback?

Creative Processes .....

Writing Processes .....

7. When do you know the work is “done”?
