Farewell Forecasting

Use the spaces provided or (better yet!) **write it all down** in a journal.

What's the situation at present?

What are the short-term goals? (next six to twelve months)

What are the goals for next year?

What does three years from now look like?

What does five years from now look like?

What does seven to ten years from now look like?

What steps can be taken to support these goals?
